

IT Administrator Tier 2 – one year contract

Reward

£24,000 - £26,000 per annum

Location

Cardiff

We are looking for an IT Administrator to join our established IT department on an initial fixed term contract for one year.

Qualifications and skills

You will have a working knowledge of Microsoft Server 2008, 2012 and Exchange Server 2010. A knowledge of SQL Server would also be beneficial.

We are looking for candidates who are proactive in their approach to tasks, can think for themselves in order to solve problems and be able to communicate effectively with a variety of people.

Role

You will be dealing with the day to day maintenance of the IT servers and IT related software. Working with other members of the team, you will provide a support service for all server applications, responding to staff queries and concerns.

What next?
