

# Associate Consultant

---

## Reward

£25,000-£30,000 per annum

## Location

London or Amersham, with option to work from home part time

## Role

Following a period of growth, we are looking for an Associate Consultant to join our Pensions Consultancy team.

Under the guidance of more senior consultants you will assist with the provision of advice on the good governance of pension schemes and the arrangement of client meetings. Excellent communication skills are required as a key element of the role will be to develop and maintain strong relationships with clients. The role provides an excellent opportunity for someone looking to progress their pensions career within a consultancy environment.

You will be a graduate or ideally have two years' experience in a pensions administration role and be prepared to study towards relevant professional qualifications.

We are looking for candidates with excellent organisational skills, attention to detail and an aptitude for delivering over and above what is expected. You will also need to demonstrate exceptional communication skills and be a good team player.

## Why Quantum?

Work for us and you will become part of a close-knit team that is skilled, experienced and passionate about delivering a high-quality consultancy service to our corporate and trustee clients.

We offer a friendly place to work with flexible working hours, 24 days holiday per year with holiday trading, volunteering leave, flexible benefits to suit your personal circumstances, DC pension scheme and a discretionary annual bonus. You will also be offered a structured study and training plan and will be given the chance to further develop your skills and career.

Quantum Advisory is an equal opportunities employer and committed to diversity and inclusion.

## What next?

If you are interested in applying for this role, please submit your application via our online portal [here](#).

Please note the closing date for applications is Thursday 24 June 2021. We reserve the right to close this vacancy early once a sufficient number of applications have been received.

If you have any queries, or would like to discuss the role informally, please contact [recruitment@quantumadvisory.co.uk](mailto:recruitment@quantumadvisory.co.uk)
